PETITION TO REVIVE UNDER 37 C.F.R. §1.137(b) & (f)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to 37 C.F.R. §1.137(b) & (f), Applicant hereby petitions to revive the above referenced application which was statutorily abandoned under 35 U.S.C. §122(b)(2)(B)(iii). In compliance with the provisions of 37 C.F.R. §1.137(b), Applicant has included a Rescission of Previous Nonpublication Request.

Additionally, the delay in filing the required rescission and/or notice was entirely unintentional as the error was not discovered until the Applicant retained new counsel of record pursuant to the new Power of Attorney filed on November 14, 2005 in this case. Prior to that, Applicant was unaware that a notice of nonpublication had been requested as this request was made unintentionally. Moreover, Applicant was not alerted to this issue as prosecution had proceeded without any indication that the application was subject to abandonment under §122(b)(2)(B)(iii), even after the 45 day statutory period. Since learning of the aforementioned issues, Applicant has diligently sought to address and correct the situation.
